

## **2019 Castle Rock Estate 'Skywalk' Riesling**

Skywalk is named after the lookout which is affixed to the side of Castle Rock itself, providing great views of the surrounding area.

Pale straw with green hues.

A lifted and attractive bouquet showing floral notes of orange blossom and lavender. There are subtle hints of musk stick and passionfruit adding to the complexity and interest of the bouquet.

A full and flavoursome style Riesling with a rich and balanced palate. The front palate is filled with the floral characters and also the musk stick notes. There is a citrus element which runs the length of the palate and provides a tight mineral structure and a long crisp and clean finish.

Enjoy now or alternatively allow it to gain complexity and interest as it ages for up to 10 years.

Enjoy now with a wide range of dishes from seafood to hot and spicy meals.
